1.0 AUTHENTICATION

- ↪ An e-mail address now becomes the username.
- ↪ The password must contain a minimum of 14 characters: one lower case, one upper case, one special character (! @, # ...) and at least one number.

2.0 HOME PAGE

The screenshot shows the ROBERT web portal home page. At the top left is the ROBERT logo. The main navigation bar includes 'TRANSPORT' and user account options like 'USERS', 'MY PROFILE', 'Sign out', and 'Français'. A central navigation bar contains five tabs: '1 Delivery tracking', 'Order tracking ONLINE', 'Rate request', 'Fuel surcharge', and 'Forms & Documents'. Below this is the 'ORDER SEARCH' section with a search input field (2), search criteria dropdown, and a 'SEARCH' button. A news section (5) features a headline about Groupe Robert's investment. A dashboard (3) shows four order status categories: 'ORDERS TO PICKUP', 'ORDERS IN TRANSIT', 'ORDERS IN DELIVERY', and 'ORDERS DELIVERED'. A 'PENDING ORDER*' section (4) shows 'No pending orders.' and a 'NEW ORDER' button. A footer note states: '*Until an order is submitted, it will not be picked up.'

Section 1 – Tabs

- ↪ Delivery tracking: Open WebTracking to track all deliveries from the user's paying profile;
- ↪ ONLINE order management: Track all orders created online, depending on user;
- ↪ Rate request: Open WebTracking to track all deliveries from the user's paying profile.

Section 2 – Research

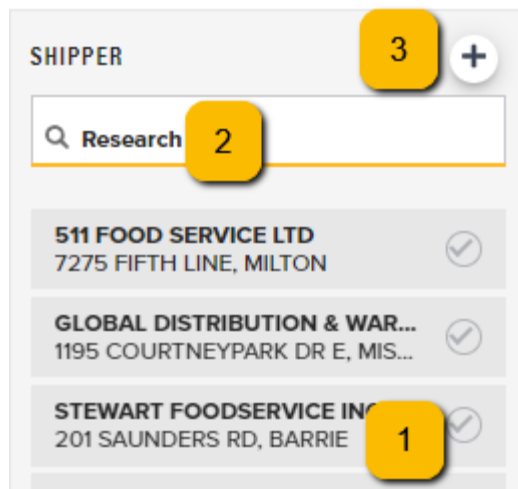

- ↪ Searches are possible by purchase order number, bill of lading, Robert reference, shipper or consignee;
- ↪ For a search by shipper or consignee: Enter at least the first 4 characters of the full name registered in the Groupe Robert database.
EX: The Robert Group Companies → The Companies
The following examples do not work: Robert, Robert Enterprises, Robert Group

Section 3 – Shortcut Tiles

- ↪ Pickup order: Display of submitted or assigned orders;
- ↪ Order in transit: Display of orders picked up at a dock or in transit to a dock;
- ↪ Delivery order: Display of orders loaded in a trailer and in the direction of the consignee;
- ↪ Order delivered: Display of orders for which the delivery is completed.

Section 4 – New online order

1. Enter the shipper

- ↪ (1): Shippers history of the last 6 months;
- ↪ (2): Search history by customer name, address or city;
- ↪ (3): Search in an extended customer bank (postal code & civic number required). Click New to enter a new site.

1.1 Enter a new shipper/new consignee

ADD SHIPPER

- ↪ Start by entering the details of the new shipper, then click on next in the lower right corner.
- ↪ Answer the loading questions, then click on next.
- ↪ In the availability tab, indicate the opening hours of the sender.
 - ❖ Click the trash can icon to delete data from an entire row. 
 - ❖ To copy opening hours from one day to another, select the interval at the end of a line (Choose between daily, weekly or weekend), then press the copy icon. The data entered in the line will appear on the other lines automatically.

2. Enter availability of goods

AVAILABILITY OF MERCHANDISE

7. Submit the order by clicking on the button

ADD CONSIGNEE

SUBMIT ORDER

After entering the information for a first consignee, you can:

- ↪ Add an additional consignee;
- ↪ Submit order.

8. Changing an order

It is possible to make changes to a pending order by clicking the "*pencil*"  tool of the targeted order, either on the home page or in the list of orders created online.

Order Submitted: Modification of shipper, consignee and merchandise information possible.

Scheduled Order: Modifying sender information is no longer possible. Call customer service to change the information if necessary. Modification of the information of the consignee and goods still possible.

On the way: Modifying shipper and consignee information is no longer possible. Call customer service to change the information if necessary. Modification of the information concerning the goods still possible.

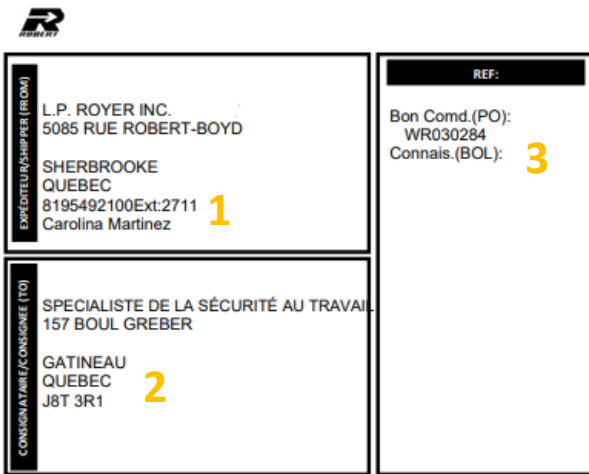

Loading completed: The command is completed. No modification possible.

9. Delete an order

It is possible to delete a pending order by clicking the "*trash*"  tool of the targeted order, either on the home page or in the list of orders created online.

10. Barcodes

For a pallet	1 barcode per pallet
For a box/ crate	1 barcode per case/box
For a package EX: Pipes	For individual units, it's important to clearly identify each element. One barcode per unit will be provided. When the units are attached in the same set (several pipes in a single bundle type package), only 1 barcode will be issued to you.

The diagram shows a shipping label layout with three numbered callouts:

- 1**: Shipper's information (L.P. ROYER INC., 5085 RUE ROBERT-BOYD, SHERBROOKE, QUEBEC, 8195492100Ext:2711, Carolina Martinez)
- 2**: Consignee information (SPECIALISTE DE LA SÉCURITÉ AU TRAVAIL, 157 BOUL GREBER, GATINEAU, QUEBEC, J8T 3R1)
- 3**: Reference information (REF: Bon Comd.(PO): WR030284, Connais.(BOL):)

Two types of formats

↪ Paper: Barcodes can be printed on any type of conventional printer.

↪ Label: Allows you to print self-adhesive labels for those who have the tools.

CLOSE

Document content

- ↪ (1) : Shipper's Information
- ↪ (2) : Consignee Information
- ↪ (3) : PO and bill of lading (BOL) numbers
- ↪ (4) : Number of units to pick up
- ↪ (5) : Pickup number
- ↪ (6) : Number of consignees

On the Web

- ↪ Creation of an online order as usual.
- ↪ A pop-up message will inform you to print the barcodes. By selecting the desired option, a second window will open on your browser with the documents.
- ↪ At any time, you have you can return to the Online Order Management tab, to press the printer icon corresponding to the desired pick-up and be redirected to the barcodes or the BOL.

Special cases

- ↪ When you modify your web order using the pencil tool, you must print again the barcodes with the corrected information. The pop-up will appear every time an order is submitted, whether it is a new order or a modified order.
- ↪ In a situation where the merchandise must be picked up at another shipper's site, you must email the barcodes by downloading them to your computer. Then send them by email to the shipper for him to place them before your order is taken care of by one of our drivers.

The barcodes

You must print and stick the barcodes on the goods before the driver arrives.

- ↪ Instructions on the document will guide you.
- ↪ Use of industrial tape only. No Scotch 3M type adhesive tape will be tolerated. Possibility of using plastic pouches.

Section 5 – News

Gathers news of *Groupe Robert* useful for your order taking.

Section 6 – User management

USERS
DELEGATES

You can authorize an employee to access the portal. Give him rights so that he creates orders, manages his notifications, authorizes partners and modifies his customer profile. He can view the online tracking, rate request and fuel surcharge.

ADD USER

Search by username

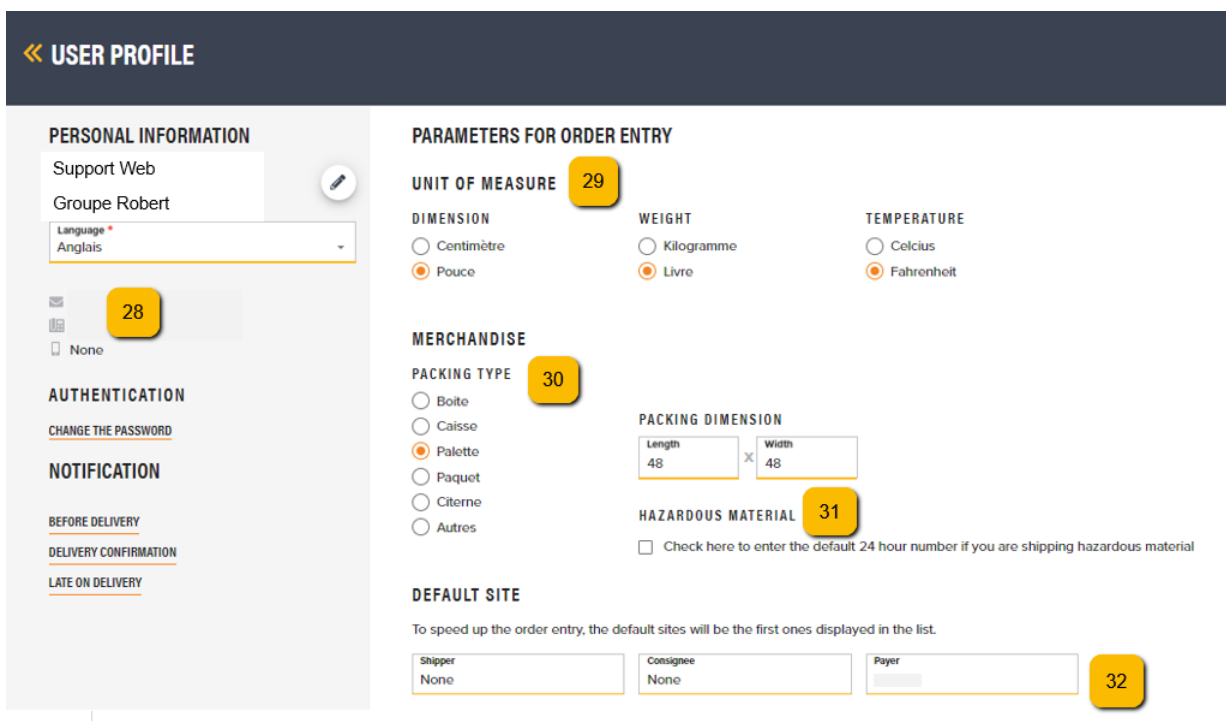

USERS ↑	EMAIL	TELEPHONE	ROLE	ACCESS
---------	-------	-----------	------	--------

- ↪ Operational Administrator: Role with the most functions, each company must have at least an operational Admin. He can himself create the accesses of his employees and those of the delegates;
- ↪ User without order taking: For order tracking and all portal functions excluding that of creating an order.
- ↪ User with order taking: For order tracking and all portal functions including creating an order.

*** Please note, only the Operational Administrator can change rights of company employees ***

- ✎ To add a new user: Click "ADD A USER" and fill out the mandatory fields in the "Contacts", "Workplace" and "Access" sections (user with or without taking an order);
- ✎ To deactivate an access: In the 5th column named "Access", slide the checkmark to the left;
- ✎ To modify a user's access: Click the pencil tool, then make the desired changes.
- ✎ To delete an access: Click the trash can icon.

Section 7 – User Profile

- ✎ (28): Only phone numbers (cellphone / work) can be edited by clicking the pencil icon. To modify any other information, contact *Groupe Robert* by email supportweb@robert.ca;
- ✎ (29): Possibility to enter the preferred measurement units. These will be pre-established when ordering;
- ✎ (30): Possibility to enter the type of packaging preferably pre-established when ordering. The length and width of a pallet can be saved to simplify ordering;
- ✎ (31): Possibility to check to enter name of the company in case of emergency, as well as the telephone number.
- ✎ (32): Ability to enter shipper, consignee and payer preferences if desired.

Section 8 – Notifications

Types of notification

1) Before Delivery

- ↪ A first notice will be sent as soon as the driver confirms his departure from the shipper with the trailer loaded;
- ↪ A second notice is sent as soon as the driver is on his way to specifically make the delivery specified as per notification.

2) Delivery Confirmation

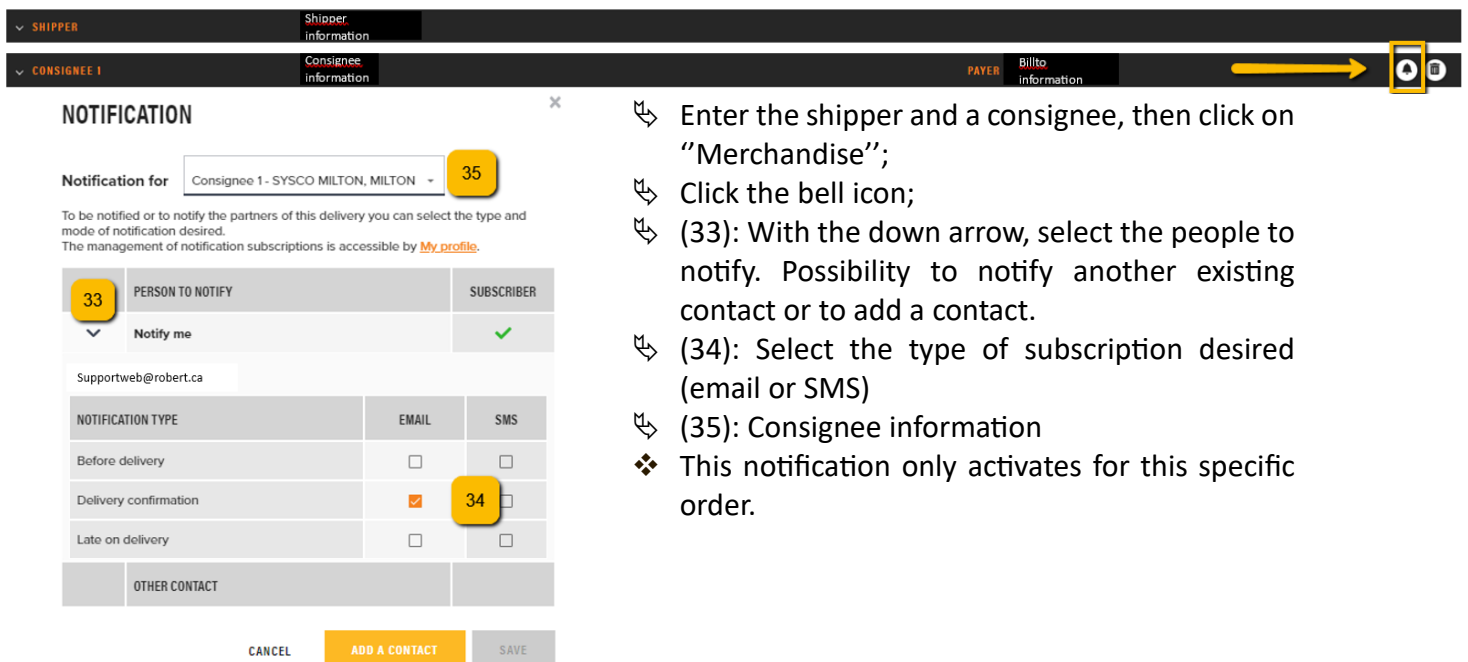

- ↪ A notification will be sent as soon as the driver confirms having completed the delivery specified as per notification;
- ↪ This notification will be sent only when the difference between the delivery time and the transmission time is less than 24 hours;
- ↪ If the delivery is made by a partner and *Groupe Robert* does not have the confirmation within 24 hours, no notification will be triggered.

3) Late delivery

- ↪ When the estimated time of delivery changes in an interval of more than 15 minutes, a notification will be sent to you to notify you or the consignee.

Two easy ways to activate

1) Activation on command

NOTIFICATION

Notification for: Consignee 1 - SYSCO MILTON, MILTON 35

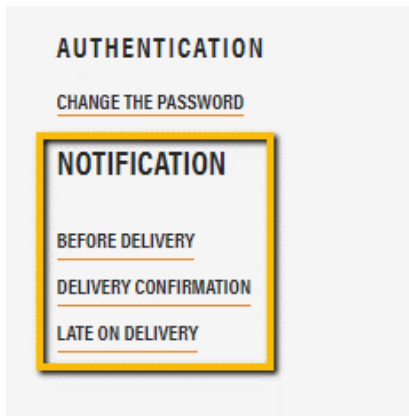

To be notified or to notify the partners of this delivery you can select the type and mode of notification desired. The management of notification subscriptions is accessible by [My profile](#).

PERSON TO NOTIFY	SUBSCRIBER	
Notify me	✓	
Supportweb@robert.ca		
NOTIFICATION TYPE	EMAIL	SMS
Before delivery	<input type="checkbox"/>	<input type="checkbox"/>
Delivery confirmation	<input checked="" type="checkbox"/>	<input type="checkbox"/> 34
Late on delivery	<input type="checkbox"/>	<input type="checkbox"/>
OTHER CONTACT		

CANCEL **ADD A CONTACT** SAVE

- ↪ Enter the shipper and a consignee, then click on “Merchandise”;
- ↪ Click the bell icon;
- ↪ (33): With the down arrow, select the people to notify. Possibility to notify another existing contact or to add a contact.
- ↪ (34): Select the type of subscription desired (email or SMS)
